

(BR)LUNCH

Well, well! You've managed to turn the page, haven't you? Very nice.
If it hurts too much, just ask your server to bring you something.

Macaroni and Cheese

Done right with the creamy creamy cheesy cheesy creamy cheese sauce Mornay. Neither from box nor bag, it's big. Really big. 4453 calories, but no fat, carbs, or protein to bother your newest diet. Need more? Add grilled chicken tenders, or andouille sausage if you dare... 

Salmon BLT

More than just the most recognizable acronym preceding OPP, the BLT is a fine sandwich, proven over time. But we've made that even better with the addition of grilled salmon on a toasted foccacia bun and a special rosemary accented compound mayonnaise.

The Garden Weasel

Choose grilled eggplant, zucchini *or* a portobello cap and we'll pair it with roasted red peppers, tomatoes, onion, fresh mozzarella cheese, and basil pesto mayonnaise. Served on a grilled ciabatta roll.

I Can Has Bacon Cheezburger?

Rich smoky bacon and cheddar atop a manhole cover of grilled beef* perfectly able to satisfy even the most demanding carnivore.

Henny Penny

Blackened chicken breast grilled with melted cheddar, lettuce, tomato, onion, and a smoky, spicy mayonnaise. Don't be afraid to order it by name!

Greek Salad

Chopped iceberg lettuce, tomatoes, red onion, cucumber, feta cheese, peppers red and green, and Greek olives; comes tossed with lemon-herb vinaigrette. Or, skip the iceberg and double the good stuff for a Greek salad "Country Style".

Hail, Caesar!

Roman around Shadyside looking for a good classic Caesar? You found it. Caesar dressed his appropriately in the kitchen as do we; Caligula just tossed it. And hey, this is Pixburgh so choose grilled or blackened chicken breast 'cause salads need meat up.

Succulent Salmon Salad

The fish that bucks traffic over mixed greens, edamame (them's soybeans), red peppers, and jicama in lemon herb vinaigrette.

Salad de la Burgh

A Pittsburgh staple with fries, shredded cheese, and grilled, marinated chicken tenders atop greens that are really only there because you can't pick up Ranch dressing with a fork.

Monte Cristo

Chevy's watered-down version of a sports coupe for mid-level suburban managers who just can't come to terms with the fact that their cojones are in a box on the dresser. No, wait. This is the spectacular stuffed and fried sensation that makes brunch the highlight of your life. Smoked turkey and Bavarian ham with Swiss cheese all trussed together, battered like French toast, and served with some maple syrup and powdered sugar just to get the calorie count up to where it needs to be.

Bluesberry Pancakes

Round, golden-brown, and all-you-can-eat, the pancakes come with bacon. (We use more than one pan.)

Freedom Toast

Made with locally-produced country hearth bread as a tribute to the right-wingers back in '03. Dredged in seasoned eggs, fried golden brown, and sugar dusted. We'll call this "French Toast" again beginning 01.20.09. Easy-grip bacon included.

Hakuna Frittata

The frittata is kinda like an omelette. And if an omelette were like a politician, it's one we'd want in office: one that doesn't fold. Was that too far to go? Anyhoo, here's a frittata with sausage and all sorts of southwesterly accoutrement, plus a side of toast. It's veggie if we let the sausage slip.

A Whole Lotta Strata

Aunt Patty's famous combination of ingredients layered in ciabatta, egg, and cheese. So good. It's like dessert for breakfast without the guilt. Contents vary daily- please ask, and when it's gone, it's gone, so order quick!

Flank Sinatra (\$16)

Manly, marinated steak grilled to your liking, chicken eggs, home fries & toast. Suitable for the Chairman of the Board.

Breakfast Simile

Toast like bread heated and browned in an electric appliance. Pancakes as round as a hubcap. Bacon as crisp as a nicely starched shirt back from the cleaners. Sausage as spicy as that strange you dragged in here this morning. Potatoes like starchy half moons rising over the Serengeti. And eggs like 70's visual t-shirt metaphors indicating outstanding breasts.

Eggs Benediction

²³Oh Great Cooks, having dominion over the fowl and its offspring, with thine water hot and simmering, cracketh forth gently two eggs to poach. ²⁴Bringeth to thine platter a muffin of St. Thomas, cleaved in twain and toasted upon the fire. ²⁵Beseech swine so divine to begin the begat, then smoked after brine, add a little of that. ²⁶Anoint these holy ova, Great Cooks, with thine heavenly hollandaise, for days and days, we shall sing thy praise. A-men.

Quesadilla para el Desayuno

That's a Breakfast Quesadilla for those of you who didn't pay attention to Sesame Street. Sausage, Eggs, 'Tots, and Cheese in bed together in a crispy tortilla, with salsa and sour cream on the side.

Lox, Stock, and Bagel

Sold as a complete set only. Open face bagel of local origin with Nova Lox and all the accoutrements and 'taters, too.

H*A*S*H

Not just available at Houlihan's any more, Alan eats this alda time. A hawk eye will see that there is an egg and toast on the radar here, and we'll get you a new plate if Frank burns yours. (this item replaces the River of Liver and Ocean of Fish combo)

Now Batting: Richard Simmons

Nothing says you care more about yourself and the ones who love you than choosing a modest brunch plate of freshly cut fruit paired with cottage cheese from an all-volunteer dairy farm. Toast if you like, or skip the processed carbs all together and just add a side of sausage. Sequins optional.
