Real Chicken Egg Omelettes Cooked Live Before Your Very Eyes By A Sexy Beast

It's amazing! It's astounding! Eggs as you've never seen 'em flipped before! Gather 'round, kids! This is what Grandma used to talk about!

Heckle the cook and tell him he should shave his back. Go ahead. We dare you.

So, what else you got good on your buffet today? you may ask...

Freedom Toast

Made with locally-baked bread as a tribute to the right-wingers back in '03. Dredged in seasoned eggs, fried golden brown, and sugar dusted. We think you can call this "French Toast" again since 01.20.09, but we're not sure.

A Whole Lotta Strata

Aunt Patty's famous combination of ingredients layered in ciabatta, egg, and cheese. So good. It's like dessert for breakfast without the guilt. Contents vary daily- please ask, and when it's gone, it's gone, so act quickly!

Bluesberry Pancakes

Round, golden-brown, and all-you-can-eat. ("Pancakes" because we use more than one pan.)

Eggs Benediction

²³Oh Great Cooks, having dominion over the fowl and its offspring, with thine water hot and simmering, cracketh forth gently an egg to poach. ²⁴Bringeth to thine platter a muffin of St. Thomas, cleaved in twain and toasted upon the fire. ²⁵Beseech swine so divine to begin the begat, then smoked after brine, add a little of that. ²⁶Anoint these holy ova, Great Cooks, with thine heavenly hollandaise, for days and days, we shall sing thy praise. A-men.

H*A*S*H

Not just available at Houlihan's any more, Alan eats this alda time. A hawk eye will see that there is poached egg on the radar here, and we'll get you a new plate if Frank burns yours. (this item replaces the River of Liver and Ocean of Fish combo)
