

THE BACK OF THE MENU

Well, well! You've managed to turn the page, haven't you? Very nice. If it hurts too much, just ask your server to bring you something quick.

I Can Has Breakfast Cheezburger?

Rich smoky bacon and cheddar atop a manhole cover of grilled beef* able to satisfy even the most demanding carnivore, unless they're like vegetarian or something. On that we'll put a fried egg that'll in all likelihood dribble yolk down your chin upon initial congress.

Macaroni and Cheese

Done right with the creamy creamy cheesy cheesy creamy cheese sauce Mornay. Neither from box nor bag, it's big. Really big. 4453 calories, but no fat, carbs, or protein to bother your newest diet. Need more? Add chicken tenders – grilled or blackened – if you dare...

Breakfast Mac

See above. All that. All of that, pluse bacon and Parma hot loose sausage. Hot. Loose. Sausage. Oh yeah, baby.

The Garden Weasel

Grilled zucchini and a portobello cap paired with roasted red peppers, tomatoes, onion, fresh mozzarella cheese, and basil pesto mayonnaise. Served on a grilled ciabatta roll. Fits nicely in the cup holder of your Prius.

Special weekend meals for good friends
(And those with whom you've unexpectedly slept)

Mornings are rough. We make them a little easier by offering this prix fixe brunch menu Sundays 10 'til 2:00. We'll start you out with a little fresh fruit to cleanse the palate. Each entrée is served with coffee or tea and your choice of fresh squeezed orange juice, a Frozen Mimosa, or a house Bloody Mary. Brunch is \$14 'cept for the Flank Sinatra, so you don't have to do much math. And let's not substitute items, please. You'll ruin it for everybody.

Chicken 'N Waffles

Several crispy, silky wings with our special blend of eleven herbs and spices with a round waffle. A waffle in the shape of a circle that never ends. It's round. A square waffle would have four ends, but this one doesn't. It's round. Like a circle. Without end, but with butter and syrup. A circle. Round.

Stuffed Toasty Sarkozy

It looks good, but more importantly it gets the job done! Made with locally-produced country hearth bread, this French toast is jammed full of peanut butter, bananas, and nuts, then dredged in seasoned eggs, fried golden brown, and sugared. *Mon Dieu!* Easy-grip bacon included.

Unstuffed French Toast

is also available if you're a bit of a dullard. Or if ya don't like bananners & nuts. Or just because.

Monte Cristo

This is the spectacular stuffed & fried sensation that makes life worth living. Smoked turkey and Bavarian ham with Swiss cheese all trussed together, battered like French toast, and served with maple syrup and powdered sugar.

Breakfast Simile

Toast like bread that's been heated and browned in an electric appliance. Bacon as crisp as a nicely starched shirt back from the cleaners. Sausage as spicy as that strange you dragged in here this morning. Potatoes like starchy half moons rising over the Serengeti. And eggs like 70's visual t-shirt metaphors indicating outstanding breasts. Yea, just like that.

Omelette'le Tired This Morning

So I'll have some coffee with my eggys and try to wake up. *Substitutions? You're kidding, right? You're ruining it for everybody! These three omelettes are perfect as-is.*

Manifest Destiny

The push westward was really all about this: ham, onions, peppers, and cheddar cheese at any cost. Any cost.

It Ain't Easy Bein' Green

Spinach, onions, peppers, tomatoes, cheddar.

Omelettin' Myself Go

Bacon, sausage, and ham, cheddar.

Mommm! I'm huuungry! Got your little DNA samples with ya today? Turn the page and order immediately cuz lord knows we don't need them cryin' in here.

Eggs Benediction

²³Oh Great Cooks, having dominion over the fowl and its offspring, with thine water hot and simmering, cracketh forth gently two eggs to poach. ²⁴Bringeth to thine platter a muffin of St. Thomas, cleaved in twain and toasted upon the fire. ²⁵Beseech swine so divine to begin the begat, then smoked after brine, add a little of that. ²⁶Anoint these holy ova, Great Cooks, with thine heavenly Hollandaise, for days and days, we shall sing thy praise. A-men. 

Our Bennies are available in two denominations: the Episcopalians are traditionally hammy; the Unitarians like spinach and tomato.

Burrito para el Desayuno

That's a Breakfast Burrito for those of you who didn't pay attention to Sesame Street. Sausage, Eggs, 'Tots, and Cheese in bed together in a flour tortilla, with salsa and sour cream on the side. *¿Dónde está la casa de beicon? Usted está aquí.*

Bangers and Mash

The traditional British working class breakfast of yummy sausages and smashed potatoes, with a vaguely sexual overtone.

Flank Sinatra * (\$16)

Manly, marinated steak grilled to your liking, chicken eggs, home fries, etc. Suitable for the Chairman of the Board.

Biskitz & Gravy

Jimmy Dean died last June, but his legacy lives on in our little grill. All-you-can-eat flaky, not limp bizkits with a stick-to-ya ribs sausage gravy that keeps 'em from slidin' off the plate.

Tuesday is Bacon Night
