## MORCEAUX DE POULET

Hand-breaded choice cuts of non-threatening, universally accepted chicken tenders, fried to the point where it's safe for those with developing immunal systems.

## CHIEN DE MAÏS SUR UN BÂTON

A larger-than-average all-beef tube steak gently impaled on a bamboo skewer and sealed with a whole grain polenta batter, thusly creating the famous Corn Dog.

Sorry Anna Nicole, the Kiddie Menu is not available at bar or in the smoking section.

## SANDWICH GRILLÉ À FROMAGE

Thick Texas toast slices buttered and grilled just long enough to render the outside crisp and golden brown, all the while flanking the gooey yellow American cheesy goodness within.

## PIZZA DE PITA

The world-renown cornerless Greek flatbread slathered with red sauce, and baked in a gas-fired oven until the cheese reaches approximately the temperature and consistency of molten lava. Allow to cool before eating.

## QUESADILLA DE L'ENFANT

The world-renown cornerless Mexican flatbread jacked up with provolone and mozzarella cheeses, griddled a bit over a hot rock, then folded and cut evenly into four tri-angley-looking easily handled wedges. (Contains no Enfant)
